Dear Dr. Black,

Thank you for being a generous sponsor of our Second Annual Love Your Neighbor 5K.

At Park View Community Mission we strive to provide help, healing and hope to some of the neediest in our area. It is only through the generous support of people like yourself that this goal is continuing to become a reality for so many.

We recognize that there are many great organizations pursuing worthy causes in our region. Please know that we greatly appreciate your partnership. Through our 6 programs we assist hundreds of people weekly who would otherwise have no hope and would continue to live in need of food, clothing, education, mentoring and so much more.

Once again we want to say "Thank You" for your generous gift. You are important to the work we do today as well as the work we envision doing in the future. We look forward to celebrating those successes with you as you continue to partner with us.

Sincerely,

Gordy Harper
